KIRILL TARASOV

Russia, Moscow · +7 (910) 763 07 83

tarasowkirill@gmail.com · k5ta.github.io

My experience in the industry is quite diverse: architectural design and application implementation, deployment and monitoring, team leadership and communication with customers. I easily master new material and am not afraid of non-trivial tasks, since exactly these things that help to develop into much more.
